25 YEAR RE-REVIEW

MEMORANDUM FOR: Director of Training

SUBJECT: Biweekly Report #10-65: The Defense Intelligence School (DIS)  
10 May - 21 May 1965

25X1 1. The Advanced Intelligence Course had its first two sessions  
25X1 last week in a planned series of "Command Conferences." Speakers were  
Brig. Gen. Skaer, J-2 of USSOUTHCOM and Col. Molloy, Deputy J-2 of  
STRIKECOM. (Molloy asked to be remembered to DTR; he worked with  
[redacted]) I attended luncheon parties  
with each of the speakers, which proved to be the only free time for  
them. Mornings were fully occupied because [redacted] had scheduled  
a series of briefings in each instance to apprise the J-2's of all of  
the courses in the DIS curriculum.

SOUTHCOM is apparently coming up with some productive research.  
Gen. Skaer told us that his analysts have produced specific Country  
Intelligence Studies on South America and Central America and that the  
studies are updated every nine months. He has the analysts visit  
collectors for up-to-the-minute information. The Brazil study ran to  
350 pages; others are 75, or more, pages. A "Who's Who in Latin America"  
is updated monthly. He spoke favorably of a cartographic school in  
Panama, where about 200 persons per year are trained.

25X1 Col. Molloy gave more details on STRIKECOM's other hat, i.e.,  
25X1 its specific responsibility for the Middle East and Africa South of the  
Sahara, and touched only lightly on STRIKECOM's overall relationship to  
other unified commands. [redacted]

25X1 2. [redacted] gave a three-hour presentation on the [redacted]  
25X1 program to three Attachés and their seminar leader. One of the attachés  
is slated [redacted] the other two will go to [redacted]

25X1 3. [redacted] and I were somewhat astonished to see how the different  
25X1 faculty groups were initially strangers to one another at the Dining-In  
Night. The party ended on a much more friendly basis.

25X1 4. I have arranged to obtain a print of the Soviet War Ministry  
25X1 film on rocket launchings for a special showing to the Attachés next  
week. [ ] very kindly provided me with a nice introductory  
statement which I find very worthwhile.
